

GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 51 OF 2018

The Provincial and District Boundaries Act
(Laws, Volume 16, Cap.286)

**The Provincial and District Boundaries (Division)
(Amendment) (No. 2) Order, 2018**

IN EXERCISE of the powers contained in section 2 of the Provincial and District Boundaries Act, the following Order is made:

1. This Order may be cited as the Provincial and District Boundaries (Division) (Amendment) (No. 2) Order, 2018 and shall be read as one with the Provincial and District Boundaries (Division) Order, 1996, in this Order referred to as the principal Order.

Title
SI No. 106
of 1996

2. The First Schedule to the principal Order is amended in the second column by the insertion, in the appropriate place under the Northern Province, of the following District:

Amendment
of First
Schedule

The Lupososhi District

3. The Second Schedule to the principal Order is amended under the Northern Province by the—

Amendment
of Second
Scheduled

- (a) deletion of the boundary description of the Luwingu District; and
- (b) insertion, in the appropriate places, of the boundary descriptions of the Luwingu District and the Lupososhi District set out in the Appendix.

APPENDIX
(Paragraph 3)

LUPOSOSHI DISTRICT

Starting at the confluence of the Great Lwenge and Lufubu River, the boundary runs down the Lufubu River for a distance of approximately 67 kilometres to its confluence with an unnamed stream; thence up this stream in an easterly direction for a distance of approximately 7 kilometres to its source; thence in a southerly direction for approximately 2 kilometres, meeting RD 335 Road; thence in a southerly direction along RD 335 Road for a distance of approximately 3 kilometres near the source of Lusambwa Stream; thence down the Lusambwa Stream to its confluence with Mfungwe stream; thence up the Mfungwe stream for a distance of about 10 kilometres; thence in a south easterly direction for a distance of approximately 2 kilometres meeting the D43 Road near the source of Lufubashi Stream; thence down the Lufubashi Stream for a distance of approximately 5 Kilometres; thence on a bearing of 50 degrees for a distance of about 14 kilometres to the source of the Lupepa stream; thence down the Lupepa stream to a point where it flows into Lake Bangweulu; thence on a bearing of 50 degrees for a distance of approximately 7 kilometres to a point midway between Chindo Island and Ibula Island; thence in a straight line in a northwesterly direction to the mouth of the Lupososhi River; thence up the Lupososhi River to its confluence with the Katilye Lagoon; thence across the Katilye Lagoon to its confluence with the Mwampanda River; thence up the Mwampanda River to its confluence with the Michinka Stream; thence up the Michinka stream to its source; thence southwards for approximately 2 kilometres to the westerly source of the Litandashi River; thence down the Litandashi River to its confluence with the Lunda River; thence up the Lunda River to its source; thence northwards for approximately 0.5 kilometres to the source of the Mwampanda River; thence leaving the source of the Mwampanda River to the north east to the source of the Luchinka Stream; thence down the Luchinka stream to a point directly west of the source of the Makolongo River; thence down the Makolongo River to its confluence with the Chisamba stream; thence in a northeasterly direction for approximately 8 kilometres to the source of the Mipa Stream; thence down the Mipa stream to its confluence with the Kaela stream; thence down the Kaela stream to its confluence with the Lufubu River; thence up the Lufubu River to its confluence with the Lukwa stream; thence up this stream to its source; thence in a northeasterly direction for approximately 4 kilometres to the source of the Kambulu Stream; thence down the Kambulu stream to its confluence with the Lupososhi River; thence up the Lupososhi River to its source; thence eastwards for approximately 14 kilometres to the source of the greater Lwenge Stream; thence down the Great Lwenge stream to its confluence with the Lufubu River, the point of starting.

LUWINGU DISTRICT

Starting at the confluence of the Great Lwenge and Lufubu River, the boundary runs up the Lufubu River to its source; thence in a northeasterly direction for approximately 5 kilometres to the source of the Ngona River; thence in a easterly direction for approximately 6 kilometres to the source of the Buchende Stream; thence down the Buchende stream to its confluence with Lubansenshi River; thence down the Lubansenshi River to a point 2 kilometres from where it enters the Isangano National Park No. 8 due east of the source of Kasala stream; thence in a straight line westwards to the source of the Kasala stream; thence down the Kasala stream to its confluence with the Lukutu River; thence up the Lukutu River to its confluence with the Lubilikila stream; thence up the Lubilikila stream

to its confluence with the Bulilo stream; thence to a point on the Lumbwe Masabo Dambo; thence in a north westerly direction to a point on the Kapunda Mubende Dambo; thence on a bearing of 178 degrees for a distance of approximately 3 kilometres to a point on the Luena River south west of the Mubanga Village; thence down the Luena River to its confluence with the Lwelangwa Stream; thence up the Lwelangwa stream to its source; thence on a bearing of 50 degrees for a distance of about 8 kilometres to a point on the Lufubashi River; thence up the Lufubashi river to its source near road D43; thence in a northwesterly direction for a distance of approximately 2 kilometres meeting the source of Mfungwe stream; thence down the Mfungwe stream to its confluence with the Lusambwa Stream; thence up the Lusambwa Stream to its source near Road R335; thence in a northerly direction along R335 Road for approximately 3 kilometres; thence in a northerly direction for a distance of approximately 2 kilometres meeting an unnamed tributary of the Lufubu River; thence westwards down this tributary to its confluence with the Lufubu River; thence up the Lufubu River to its confluence with the Great Lwenge River, the point of starting.
