

GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 74 OF 2018

**The Customs and Excise Act**  
(Laws, Volume 18, Cap. 322)

**The Customs and Excise (General) (Amendment) (No. 2) Regulations, 2018**

IN EXERCISE of the powers contained in section 89 of the Customs and Excise Act, the following Regulations are made:

1. These Regulations may be cited as the Customs and Excise (General) (Amendment) (No. 2) Regulations, 2018, and shall be read as one with the Customs and Excise (General) Regulations, 2000, in these Regulations referred to as the principal Regulations.

Title

S.I. No. 54  
of 2000

2. Regulation 2 of the principal Regulations is amended by the insertion in the appropriate places of the following new definitions:

Amendment  
of  
Regulation 2

“COMESA” means the Common Market for Eastern and Southern Africa;

“SADC” means the Southern African Development Community;

“SADC Trade Protocol” means the SADC Trade Protocol signed on 24<sup>th</sup> August, 1996, in Maseru, Lesotho; and

“WTO” means the World Trade Organisation.

3. The principal Regulations are amended by the insertion of the following new parts after Part VIIIC:

Insertion of  
new Parts  
VIIID and  
VIIIE

PART VIIID

SPECIAL PREFERENTIAL TARIFF TREATMENT AGREEMENT

In this Part, unless the context otherwise requires—

Interpretation

“Agreement” means the bilateral trade agreement between the Government of the Republic of Zambia and the Government of the Republic of Angola for the promotion and development of trade signed on 21st January, 2016;

“Angola” means the customs territory of the Republic of Angola;

|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

|                                                  | <p>“Contracting Parties” means the Government of the Republic of Zambia and the Government of the Republic of Angola;</p> <p>“inferior price” means the price at which a product is exported from either contracting party if that price is less than the comparable price, in the ordinary course of trade of the product when destined for consumption in the exporting country;</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Remission of customs duty                        | <p>69M. (1) Any goods listed in the Eighteenth Schedule originating from Angola are liable to the customs duty rate specified in the Customs Tariff set out in the First Schedule to the Act, but which is suspended by hundred percent to an effective rate of zero percent of the substantive tariff rate.</p> <p>(2) The suspension of duty referred to in sub-regulation (1) applies to goods that qualify as originating from Angola in terms of the applicable rules of origin as set out in Annex I and Appendix I of the SADC Trade Protocol.</p> <p>(3) Wherever in column (3) of the List of Working or Process carried out on non-originating materials that confers originating status set out in Appendix I to Annex I of the SADC trade Protocol, the words ANOT AGREED RULE - NO PREFERENTIAL TREATMENT@ appear, the goods classified under such chapters or headings shall not qualify for preferential treatment and the substantive tariff rates prescribed in the First Schedule to the Act shall apply.</p> |
| Determination of origin of goods under agreement | <p>69N. The origin of goods for export to, or import from, the contracting parties shall be determined in accordance with the rules of origin set out in Annex I and Appendix I of Annex I of the SADC Trade Protocol and an importer of qualifying goods who wishes to claim such suspended duty rates shall lodge, with the entry, a certificate of origin.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Certificate of origin and fees                   | <p>69O. (1) An exporter of goods listed in the Nineteenth Schedule from Zambia, may apply for a certificate of origin in the prescribed manner upon payment of the fee set out in the First Schedule.</p> <p>(2) The Customs and Excise Division shall, where the goods referred to in sub-regulation (1) comply with the terms and conditions of the SADC Trade Protocol, issue the exporter with a certificate of origin of the goods.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Anti-dumping and countervailing measures         | <p>69P. (1) Despite the provisions of regulation 69N, dumping and countervailing duties may be imposed where the Customs and Excise Division has verified that the goods are being traded at an inferior price or subsidised, thereby prejudicing and causing injury to the domestic industry.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

(2) The countervailing or anti-dumping duties referred to in sub-regulation (1) shall be equivalent to the subsidy or level of dumping to prevent injury in compliance with the rules under the SADC Trade Protocol.

69Q. (1) Despite the provisions of regulation 69N, a safeguard measure may be imposed where a product has been imported in such quantities, absolute or relative, as may cause or threaten to cause serious injury to the domestic production of like products.

Safeguard  
measures

(2) A serious injury referred to in sub-regulation (1) is determined in accordance with the rules of the WTO Agreement on safeguards and applicable rules under SADC.

(3) Application of safeguard measures shall be extended to all imports of same goods originating from third countries.

69R. Any matter related to customs not expressly mentioned under these Regulations and the agreement shall be administered in accordance with the rules applicable under the SADC Trade Protocol.

Application  
of SADC  
Rules

## PART VIII

### SPECIAL PREFERENTIAL TARIFF TREATMENT AGREEMENT

In this Part, unless the context otherwise requires—

Interpretation

“Agreement” means the bilateral trade agreement between the Government of the Republic of Zambia and the Government of the Republic of Democratic Republic of Congo for the promotion and development of trade signed on 26th January, 2016;

“Congo” means the customs territory of the Democratic Republic of Congo;

“Contracting Parties” means the Government of the Republic of Zambia and the Democratic Republic of Congo;

“inferior price” means the price at which a product is exported from either contracting party if that price is less than the comparable price, in the ordinary course of trade of the product when destined for consumption in the exporting country;

“Treaty” means the Treaty of the Common Market for Eastern and Southern Africa.

Remission of  
customs  
duties

Cap. 322

69S. (1) Any goods originating from the Congo and listed in the Twentieth Schedule are liable to customs duty rate specified in the Customs Tariff set out in the First Schedule to the Act, but which is suspended by hundred percent to an effective rate of zero percent of the substantive tariff rate.

(2) The suspension of duty referred to in sub-regulation (1) applies to goods in terms of the SADC Trade Protocol on the Rules of Origin set out in Article 15 of Annex III to the Treaty.

(3) Despite sub-regulation (1) and (2), the description of goods of heading 2201 and heading 2202 are excluded from remission of customs duties.

Revision of  
harmonised  
coding  
system

69T. Where the harmonised system of coding is changed as a result of the periodic revision of the codes by the World Trade Organisation, the description of the goods initially included under the Agreement shall continue to be treated as included and a reference to an old code shall be deemed to be a reference to the revised code in accordance with the rules of interpretation of the harmonised system of coding set out in the Customs Tariff in the First Schedule to the Act.

Determination  
of origin of  
goods under  
agreement

69U. The origin of goods for export to, or import from, the contracting parties shall be determined in accordance with the Protocol on the Rules of Origin set out in Article 15 of Annex III of the Treaty and an importer of qualifying goods who wishes to claim such suspended duty rates shall lodge, with the entry, a certificate of origin.

Certificate of  
origin and  
fees

69V. (1) An exporter of goods from Zambia listed in the Twentieth Schedule, may apply for a certificate of origin in the prescribed manner upon payment of the fee set out in the First Schedule.

(2) The Customs and Excise Division shall, where the goods referred to in sub-

regulation (1) comply with the terms and

conditions of the COMESA Treaty, issue the exporter with a certificate of origin of the goods.

Anti-  
dumping and  
countervailing  
measures

69W. (1) Despite the provisions of regulation 69U, dumping and countervailing duties may be imposed where it has been verified that the goods are being traded at inferior price or subsidised, thereby prejudicing and causing injury to the domestic industry.

|                                                                                                                                                                                                                                                                       |                                       |

| 22                | Beverages, Spirits and Vinegar                                                                                                                                 |
| 25                | Salt; sulphur; earths and stone; plastering materials, lime and cement                                                                                         |
| 26                | Ores, slag and ash                                                                                                                                             |
| 27                | Mineral fuels, mineral oils and products of their distillation; [bituminous substances; mineral waxes]                                                         |
| 28                | Inorganic chemicals; organic or inorganic compounds of precious metals, [of rare-earth metals, of radioactive elements or of isotopes]                         |
| 30                | Pharmaceutical Products                                                                                                                                        |
| 33                | Essential oils and resinoids; perfumery, cosmetic or toilet preparations                                                                                       |
| 38                | Miscellaneous Chemical Products                                                                                                                                |
| 40                | Rubber and articles thereof                                                                                                                                    |
| 42                | Articles of leather; saddlery and harness; travel goods, handbags and similar containers; articles of animal gut (other than silk-worm gut)                    |
| 44                | Wood and articles of wood; wood charcoal                                                                                                                       |
| 52                | Cotton                                                                                                                                                         |
| 56                | Wadding, felt and nonwovens; special yarns; twine, cordage, ropes and articles thereof                                                                         |
| 63                | Other made up textile articles; sets; worn clothing and worn textile articles; rags                                                                            |
| 68                | Articles of stone, plaster, cement, asbestos, mica or similar materials                                                                                        |
| 70                | Glass and glassware                                                                                                                                            |
| 71                | Natural or cultured pearls, precious or semi-precious stones, precious metals, metals clad with precious metals, and articles thereof; imitation jewelry; coin |

|    |                                                                                                                                                                                                                                            |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 72 | Iron and steel                                                                                                                                                                                                                             |
| 73 | Articles of iron or steel                                                                                                                                                                                                                  |
| 74 | Copper and Articles thereof                                                                                                                                                                                                                |
| 75 | Nickel and Articles thereof                                                                                                                                                                                                                |
| 76 | Aluminum and Articles thereof                                                                                                                                                                                                              |
| 78 | Lead and articles thereof                                                                                                                                                                                                                  |
| 79 | Zinc and articles thereof                                                                                                                                                                                                                  |
| 82 | Tools, implements, cutlery, spoons and forks, of base metal; parts thereof of base metal                                                                                                                                                   |
| 84 | Nuclear reactors, boilers, machinery and mechanical appliances; parts thereof                                                                                                                                                              |
| 85 | Electrical machinery and equipment and parts thereof; sound recorders and reproducers, television image and sound recorders and reproducers and parts and accessories of such articles                                                     |
| 86 | Railway or tramway locomotives, rolling-stock and parts thereof; railway or tramway track fixtures and fittings and parts thereof; mechanical (including electro-mechanical) traffic signaling equipment of all kinds                      |
| 87 | Vehicles, other than railway or tramway rolling-stock, and parts and accessories thereof                                                                                                                                                   |
| 88 | Aircraft, spacecraft and parts thereof                                                                                                                                                                                                     |
| 89 | Ships, boats and floating structures                                                                                                                                                                                                       |
| 90 | Optical, photographic, cinematographic, measuring, checking, precision, medical or surgical instruments and apparatus; parts and accessories thereof                                                                                       |
| 94 | Furniture; bedding mattresses, mattress supports, cushions and similar stuffed furnishings; lamps and lighting fittings, not elsewhere specified or included; illuminated signs, illuminated name-plates and like; prefabricated buildings |
| 95 | Toys, games and sports requisites; parts or accessories thereof                                                                                                                                                                            |
| 96 | Miscellaneous Manufactured articles                                                                                                                                                                                                        |
| 99 | Goods for special uses; goods subject to certain conditions or limitations                                                                                                                                                                 |

APPENDIX  
(Regulation 4)

**NINETEENTH SCHEDULE**  
(Regulation 69O)

**(ZAMBIA EXPORTS INTO ANGOLA)**

| <i>Code</i> | <i>Product Description</i>                                                                                               |
|-------------|--------------------------------------------------------------------------------------------------------------------------|
| 01          | Live animals                                                                                                             |
| 02          | Meat and edible meat offal                                                                                               |
| 03          | Fish and crustaceans, molluses and other aquatic invertebrates                                                           |
| 04          | Dairy produce; birds, eggs, natural honey; edible products of animal origin, not elsewhere specified or included         |
| 05          | Products of animal origin, not elsewhere specified or included                                                           |
| 06          | Live trees and other plants; bulbs, roots and the like; cut flowers ornamental foliage                                   |
| 07          | Edible vegetables and certain roots and tubers                                                                           |
| 08          | Edible fruit and nuts; peel of citrus fruit or melons                                                                    |
| 09          | Coffee, tea, mate and spices                                                                                             |
| 10          | Cereals                                                                                                                  |
| 11          | Products of the milling Industry; malt; starches; Inulin; wheat gluten                                                   |
| 12          | Oil seeds and oleaginous fruits; miscellaneous grains, seeds and fruit; industrial or medicinal plants; straw and fodder |
| 13          | Lac; gums, resins and other vegetable saps and extracts                                                                  |
| 14          | Vegetables plaiting materials; vegetable products not elsewhere specified or included                                    |
| 15          | Animal or vegetable fats and oils and their cleavage products; prepared edible fats; animal or vegetable waxes           |
| 16          | Preparations of meat, of fish or of crustaceans, molluscs or other aquatic invertebrates                                 |
| 17          | Sugars and sugar confectionery                                                                                           |
| 18          | Cocoa and coco preparations                                                                                              |
| 19          | Preparations of cereals, flour, starch or milk; pastrycooks' products                                                    |
| 20          | Preparations of vegetables, fruit, nuts or other parts of plants                                                         |
| 21          | Miscellaneous edible preparations                                                                                        |
| 22          | Beverages, Spirits and Vinegar                                                                                           |
| 24          | Tobacco and manufactured tobacco substitutes                                                                             |
| 25          | Salt; sulphur; earths and stone; plastering materials, lime and cement                                                   |
| 26          | Ores, slag and ash                                                                                                       |
| 27          | Mineral fuels, mineral oils and products of their distillation; [bituminous substances; mineral waxes]                   |

- 28 Inorganic chemicals; organic or inorganic compounds of precious metals, [of rare-earth metals, of radioactive elements or of isotopes]
